Membership shall be appurtenant to, and may not be separated from, ownership of any Lot which is subject to assessment.

V COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The owner(s) of each Lot owned by it within Timbercreek, hereby covenants, and each Owner of any Lot (by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance) including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association any annual assessments or charges, and any special assessments for capital improvements or major repair; such assessments to be fixed, established and collected

from time to time as hereinafter provided. All such assessments, together with interest thereon from the due date at the rate of ten percent (10%) per annum and costs of collection thereof (including reasonable attorney's fees), shall be a charge on the land and shall be a continuing lien upon the Lot(s) against which each such assessment is made, and shall also be the personal obligation of the Owner. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by abandonment.

Section 2. Purpose of Assessments. The annual and special assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in Timbercreek and in particular for the improvement and maintenance of the Common Area and of any easement in favor of the Association, including, but not limited to, the cost of taxes, insurance, labor, equipment, materials, management, maintenance and supervision thereof, as well as for such other purposes as are permissible activities of, and undertaken by, the Association.

Section 3. Maximum Annual Assessments. Except as hereinafter provided, the annual assessment, excluding any special assessment for capital improvements or major repair, shall in no event exceed \$600.00 per Lot per annum. The Board of Directors of the Association (the "Board") shall fix the assessments, which shall be in amounts determined in accordance with the projected financial needs of the Association, as to which the decision of the Board of Directors of the Association shall be dispositive. By the vote of two-thirds (2/3) of the members of the Board the maximum amounts of the assessments may be varied from the amounts hereinabove set forth.

Section 4. Uniform Rate of Assessment. All regular and special assessments shall be at a uniform rate for each Lot in Timbercreek.

Section 5. Special Assessments for Capital Improvements and Major Repairs. In addition to any annual assessments, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of a capital improvement as approved by the Board of Directors of the Association, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 6. Date of Commencement of Annual Assessments: Due Date. The assessments for which provision is herein made shall commence on the date or dates (which shall be the first day of a month) fixed by the Board of Directors of the Association to be the date of commencement. The due date of any assessment shall be fixed in the resolution authorizing such assessments, and any such assessment shall be payable in advance in monthly, quarterly, semi-annual or annual installments as determined by the Board.

Section 7. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of commencement, and the amount of, the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall be sent to every Owner subject thereto no later than seven (7) days after fixing the date of commencement thereof.

The Association shall, upon demand at any time, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Effect of Non-Payment of Assessment: the Lien, the Personal Obligation, Remedies of Association.

The lien of the Association shall be effective from and after recording, in the Public Records of Palm Beach County, Florida, a claim of lien stating the description of the Lot encumbered thereby, the name of the Owner, the amount and the date when due. Such claims of lien shall include only assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorney's fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record.

If the assessment is not paid within thirty (30) days after the delinquency date, which shall be set by the Board of Directors of the Association, the assessment shall bear interest from the date due at the rate of ten percent (10%) per annum, and the Association may, at any time thereafter, bring an action to foreclose the lien against the Lot(s) in like manner as a foreclosure of a mortgage on real property, and/or a suit on the personal obligation against the Owners(s), and there shall be added to the amount of such assessment the cost of preparing and filing the complaint in such action (including a reasonable attorney's fee), and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court, together with the costs of the action.

Section 9. Subordination to Lien of Mortgages. The lien of the assessments for which provision is herein made, as well as in any other Article of this Declaration, shall be subordinate to the lien of any first mortgage to a federal or state chartered bank, life insurance company, federal or state savings and loan association or real estate investment trust. Such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure, and in any other proceeding in lieu of foreclosure of

such mortgage. No sale or other transfer shall relieve any Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. The written opinion of the Association that the lien is subordinate to a mortgage shall be dispositive of any question of subordination.

Section 10. Exempt Property. The Board of Directors shall have the right to exempt any of the Property subject to this Declaration from the assessments, charge and lien created herein provided that such part of the Property exempted is used (and as long as it is used) for any of the following purposes:

A. Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;

B. All Common Areas as defined in Article I hereof;

C. Any of the Property exempted from ad valorem taxation by the laws of the State of Florida to the extent agreed to by the Association.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling or related use shall be exempt from said assessments, charges or lien.

VI EXTERIOR MAINTENANCE ASSESSMENT

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Area, the Association may provide upon any Lot requiring same, when necessary in the opinion of the Board of Directors of the Association to preserve the beauty, quality and value of the neighborhood, maintenance, including paint, repair, roof repair and replacement, gutters, downspouts, exterior building surfaces, and yard cleanup and/or maintenance.

Section 2. Assessment of Costs. The cost of such maintenance shall be assessed against the Lot or Lots upon which such maintenance is performed or, in the opinion of the Board of Directors of the Association, benefiting from same. The assessment shall be apportioned among the Lots involved in the manner determined to be appropriate by the Board of Directors of the Association. If no allocation is made, the assessment shall be uniformly assessed against all of the Lots in the affected area. The exterior maintenance assessments shall not be considered a part of the annual or special assessments. Any exterior maintenance assessment shall be a lien on the Lot and the personal obligation of the Owner and shall become due and payable in all respects, together with interest and fees for the cost of collection, as provided for the other assessments of the Association, and shall be subordinate to mortgage liens to the extent provided by Section 9 of Article V hereinabove.

Section 3. Access at Reasonable Hours. For the purpose of performing the maintenance authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after

reasonable notice to the Owner, to enter upon any Lot or the exterior of any improvements thereon at reasonable hours on any day except Saturday or Sunday.

VII ARCHITECTURAL CONTROL

Section 1. Necessity of Architectural Review and Approval. No improvement of structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement shall be commenced, erected, placed or maintained upon any Lot, nor shall any addition, change or alteration herein or thereof be made, unless and until the plans, specifications and location of the same shall have been submitted to, and approved in writing by, the Association. All plans and specifications shall be evaluated as to harmony of external design and location in relation to surrounding structures and topography and as to conformance with the Architectural Planning Criteria of the Association, a copy of which is attached hereto as Exhibit C, as the same may from time to time be amended.

Section 2. Architectural Review Board. The architectural review and control functions of the Association shall be administered and performed by the Architectural Review Board (the "ARB"), which shall consist of five (5) members who need not be members of the Association. Members of the ARB shall be appointed by, and shall serve at the pleasure of, the Board of Directors of the Association. The Board of Directors shall appoint at least one (1) architect or building contractor thereto. A majority of the ARB shall constitute a quorum to transact business at any meeting of the ARB, and the action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARB. Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof shall be filled by the Board of Directors.

Section 3. Powers and Duties of the ARB. The ARB shall have the following powers and duties:

- A.** To recommend, from time to time, to the Board of Directors of the Association modifications and/or amendments to the Architectural Planning Criteria. Any modification or amendment to the Architectural Planning Criteria shall be consistent with the provisions of this Declaration, and shall not be effective until adopted by a majority of the members of the Board of Directors of the Association at a meeting duly called and noticed and at which a quorum is present and voting. Notice of any modification or amendment to the Architectural Planning Criteria, including a verbatim copy of such change or modification, shall be delivered to each member of the Association; provided that, the delivery to each member of the Association of notice and a copy of any modification or amendment to the Architectural Planning Criteria shall not constitute a condition precedent to the effectiveness or validity of such change or modification.

- B. To require submission to the ARB of one (1) complete set of all plans and specifications for any improvement or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement, the construction or placement of which is proposed upon any Lot in Timbercreek, together with a copy of the City of Boca Raton Tree Permit. The ARB may also require submission of samples of building materials proposed for use on any Lot, and may require such additional information as reasonably may be necessary for the Board to completely evaluate the proposed structure of improvement in accordance with this Declaration and the Architectural Planning Criteria.
- C. To approve or disapprove any improvement or structure of any kind including, without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain disposal system, decorative building, landscape device or object, or other improvement or change or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot in Timbercreek and to approve or disapprove any exterior additions, changes, modifications or alterations therein or thereon. All decisions of the ARB shall be submitted in writing to the Board of Directors of the Association, and evidence thereof may, but need not, be made by a certificate, in recordable form, executed under seal by the President or any Vice President of the Association. Any party aggrieved by a decision of the ARB shall have the right to make a written request to the Board of Directors of the Association, within thirty (30) days of such decision, for a review thereof. The determination of the Board upon reviewing any such decision shall in all events be dispositive.

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity of Director or officer of the Association, or in his capacity as Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and

necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seeks indemnification were properly incurred and whether such Director or officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

C. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

XIII TRANSACTION IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED

A. No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are Directors or officers, have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee thereof which authorized the contract or transaction, or solely because his or their votes are counted for such purpose. No Director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

B. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

XIV DISSOLUTION OF THE ASSOCIATION

A. Upon dissolution of the Association, all of its assets remaining after provision for creditors and payment of all costs and expenses of such dissolution shall be distributed in the following manner:

- (1) Dedication to the City of Boca Raton, Florida, or its successor,

of the Common Area, as defined in the Declaration of Covenants and Restrictions for Timbercreek which shall be effective without the prior written consent of said City or its successor.

- (2) Remaining assets shall be distributed among the members, subject to the limitations set forth below, as tenants in common, each members' share of the assets to be determined in accordance with its voting rights.

The Association may be dissolved upon a resolution to that effect being recommended by three-fourths (3/4) of the members of the Board of Directors, and, if such decree be necessary at the time of dissolution, after receipt of an appropriate decree as set forth in Florida Statutes Section 617.05 or statute of similar import, and approved by two-thirds (2/3) of the voting rights of the Association's members.

EXHIBIT C

ARCHITECTURAL PLANNING CRITERIA

WHEREAS, the Declaration of Covenants and Restrictions for Timbercreek as recorded in Official Records Book 33, at Pages 21 through 23, of the Public Records of Palm Beach County, Florida provides that Timbercreek Homeowner's Association shall form a committee known as the Architectural Review Board (the "ARB"); and

WHEREAS, the above-referenced Declaration of Covenants and Restrictions for Timbercreek provides that the Board of Directors of Timbercreek Homeowner's Association, Inc. (the "Association") on recommendation of said committee shall adopt and modify or amend from time to time Architectural Planning Criteria for Timbercreek which criteria are to be set forth in writing and made known to all owners and all prospective owners in Timbercreek;

NOW, THEREFORE, the Association has appointed a committee to be known as the ARB, and in accordance with the duties and obligations imposed upon said committee by the Declaration of Covenants and Restrictions for Timbercreek, the Board of Directors of the Association, upon recommendation of the ARB, does hereby adopt the following Architectural Planning Criteria:

1. BUILDING TYPE. No building shall be erected, altered, placed or permitted to remain on any lot other than one detached single-family dwelling containing not less than fourteen hundred (1,400) square feet of livable enclosed floor area (exclusive of open or screen porches, terraces, garages and carports), on lots 1 through 165 containing not less than eighteen hundred (1,800) square feet of livable enclosed floor area (exclusive of open or screen porches, terraces, garages and carports) on lots 166 through 311 not to exceed thirty-five (35) feet in height and having a private and enclosed garage (or carport if approved) for not less than two (2) nor more than four (4) cars. Unless approved by the ARB as to use, location and architectural design, no garage, tool or storage room may be constructed separate and apart from the residential dwelling, nor can any such structure(s) be constructed prior to construction of the main residential dwelling.

2. LAYOUT. No foundation for a building shall be poured, nor shall construction commence in any manner or respect, until the layout for the building is approved by the ARB. It is the purpose of this approval to assure that no trees are unnecessarily disturbed and that the home is placed on the lot in its most advantageous position.

3. EXTERIOR COLOR PLAN. The ARB shall have final approval of all exterior color plans and each Owner must submit to the ARB a color plan showing the color of the roof, exterior walls, shutter, trims, etc. The ARB shall consider the extent to which the color plan is consistent with the homes in the surrounding areas and the extent to which the color plan conforms with the natural color scheme of and for Timbercreek.

4. ROOFS. Flat roofs shall not be permitted unless approved by the ARB. Such areas where flat roofs may be permitted are Florida rooms, porches and patios. There shall be no flat roofs on the entire main body of a building; provided that the ARB shall have discretion to approve such roofs on part of the main body of a building, particularly if modern or contemporary in design. Minimum pitch of roof will be 3/12. Mansard roofs will not be permitted. Composition of all pitched roofs shall be tile, cedar shake shingle, slate or concrete construction, or other composition approved by the ARB.

White roofs will be discouraged. A white roof will only be allowed on every fourth (4th) home.

5. Similar Elevations shall not be built directly adjacent or across from each other.

6. GARAGES. In addition to the requirements stated in Paragraph 1 hereinabove, all garages shall have a minimum width of eighteen (18) feet for a two-car garage, thirty-three (33) feet for a three-car garage, or forty-four (44) feet for a four-car garage, as measured from the inside wall of the garage. All garages must have either a single overhead door with a minimum door width of sixteen (16) feet for a two-car garage, or two (2) sixteen (16) foot doors for a four-car garage, or two (2), three (3), or four (4), individual overhead doors, each a minimum of eight (8) feet in width, and a service door. No carports will be permitted unless approved by the ARB.

7. DRIVEWAY CONSTRUCTION. All dwellings shall have a paved driveway of stable and permanent construction of at least sixteen (16) feet in width at the entrance to the garage. All driveways must be constructed with concrete, asphalt or a comparable material. Where curbs are required to be broken for driveway entrances, the curb shall be repaired in a neat and orderly fashion acceptable to the ARB.

8. DWELLING QUALITY. The ARB shall have final approval of all exterior building materials. Eight-inch (or larger) concrete blocks shall not be permitted on the exterior of any building or detached structure unless prior approval is obtained from the ARB. The ARB shall discourage the use of imitation materials for facades and encourage the use of front materials such as brick, four or five-inch block, stone, wood, and stucco, or a combination of the foregoing.

9. SIGNS. No sign of any kind shall be displayed to the public view on any lot except for the following:

Homeowners shall not display or place any sign of any character including "for rent" or "for sale" signs except that a sign displaying the word "open", not to exceed five square feet, may be displayed during anytime the home-owner or his designated representative is in attendance.

The size and design of all signs shall be subject to approval by the ARB.

10. GAMES AND PLAY STRUCTURES. All basketball backboards and play structures shall be located at the rear of the dwelling, or on the inside portion of corner lots within the setback lines. No playform, doghouse, playhouse or structure of a similar kind or nature shall be constructed on any part of a lot located in front of the rear line of the residence constructed thereon, and any such structure must have prior approval of the ARB.

11. FENCES AND WALLS. Fences are discouraged, and when a barrier is desired, landscaping is suggested as a substitute. The composition, location and height of any fence or wall to be constructed on any lot shall be subject to the approval of the ARB. The ARB shall require the composition of any fence or wall to be consistent with the material used in the surrounding homes and other fences, if any.

12. LANDSCAPING. Any property which will have a home reconstructed or a new home built upon it due to fire, demolition, collapse, or other cause shall have landscaping reinstated. The landscape plan must be submitted to and approved by the ARB at the time of reconstruction or rebuilding. The value of the landscape work shall be not less than one thousand five hundred dollars (\$1,500.00) in 1987 which sum shall be automatically increased five percent (5%) for each subsequent year and shall be evidenced by actual expenditure or a recognized nursery valuation. Lawns shall be constructed of sod laid with full coverage. An underground sprinkler system of sufficient size and capacity to irrigate all sodded or landscaped areas must be installed and maintained in good working order on all lots.

13. SWIMMING POOLS AND TENNIS COURTS. Any swimming pool or tennis court to be constructed on any lot shall be subject to the requirements of the ARB, which include, but are not limited to the following:

- A. Composition to be of material thoroughly tested and accepted by the industry for such construction;
- B. The outside edge of any pool wall may not be closer than four (4) feet to a line extended and aligned with the side walls of the dwelling;
- C. No screening of pool area may stand beyond a line extended and aligned with the side walls of the dwelling unless approved by the ARB;
- D. Pool screening may not be visible from the street in front of the dwelling;
- E. Location and construction of tennis or badminton courts must be approved by ARB;
- F. Any lighting of a pool or other recreation area shall be designed so as to buffer the surrounding residences from the lighting.

If one owner elects to purchase two (2) adjoining lots and use one for recreation purposes, the lot used for recreation purposes must be adequately screened by landscaping and/or walls or fences on both the front and side as required by the ARB. It shall be the intent of the ARB to screen any such use from public view.

14. GARBAGE AND TRASH CONTAINERS. No lot shall be used or maintained as a dumping ground for rubbish, trash or other waste. All trash, garbage and other waste shall be kept in sanitary containers and, except during pickup, if required to be placed at the curb.

15. TEMPORARY STRUCTURES. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other out building shall be used on any lot at any time as a residence either temporarily or permanently.

16. REMOVAL OF TREES. In reviewing building plans, the ARB shall take into account the natural landscaping such as trees, shrubs and palmettos, and encourage the Owner to incorporate them in his landscaping plan. As a result a tree survey will be required clearly indicating which trees will be removed and which trees shall remain. No trees of two (2) inches in diameter at one (1) foot above natural grade shall be cut or removed without approval of the ARB, which approval may be given when such removal is necessary for the construction of a dwelling or other improvement.

17. WINDOW AIR CONDITIONG UNITS. No window or wall air conditioning units shall be permitted.

18. MAILBOXES. No mailbox shall be erected other than the type originally supplied by the Developer. Should the U.S. Postal Service provide mail delivery to each house the Rural Delivery style box shall be replaced by the homeowner using an approved wall receptacle. No newspaper boxes of any type will be permitted.

19. SIGHT DISTANCE AT INTERSECTION. No fence, wall, hedge, or shrub planting which obstructs sight lines and elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines, or in case of a rounded property corner, from the intersection of a street property line with the edge of a driveway or alley pavement. No trees shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight-lines.

20. UTILITY CONNECTIONS. Building connections for all utilities, including, but not limited to, water, electricity, telephone and television shall be run underground from the proper connecting points to the building structure in such a manner to be acceptable to the governing utility authority.

21. ADDITIONS. Any addition to an existing house must receive the

approval of the ARB before commencement of any construction. Approval will be granted only for those additions which conform to the architectural lines, form, and color of the main structure and are generally constructed of similar materials.

22. REDECORATION. All houses or other approved structures are to have all exterior finishes maintained in a good and sightly condition including all painted, stained, or natural surfaces.

Asphalt driveways shall have a sealcoat applied to maintain a uniform finish. Concrete driveways and sidewalks shall be kept free of unsightly stains and discoloration.

No change in color will be allowed without prior approval of the ARB for roof, wall, trim, doors, walkways or driveways. Non-approved color changes will require repainting to the original color.

23. ARB REPORTS. The ARB's approval or disapproval as required in the foregoing Architectural Planning Criteria shall be delivered in writing to the Board of Directors of the Association and to the lot owner submitting same. In the event the ARB fails to approve or disapprove plans and specifications within thirty (30) days of submission thereto, or in any event, if no action by the Association to enjoin the construction has been commenced within ninety (90) days of completion thereof, approval will not be required and the related criteria shall be deemed to have been fully complied with.
