EXTERIOR PAINT COLOR GUIDELINES

Permitted exterior paint colors in Timbercreek are "muted earth tones". That is whites, creams, ivories, beiges, grays, muted yellows, muted greens, some oranges, some pinks (if the roof color permits), and brown (for trim). Reds, blues, and purples are not permitted. All exterior painting and re-painting, even if re-painting the same color, must be approved by the Timbercreek HOA Architectural Review Board (ARB).
